

# SEEING JESUS CHANGES EVERYTHING

## *Seeing Jesus in Our Pain Changes Everything*

Pastor Derwin L. Gray – March 19, 2017

- Luke 24:13-35 NIV
- Pain can blind you to seeing Jesus or pain can open your eyes to seeing Jesus more clearly. (Luke 24:13-24, 25-26 NIV)
- Crucifixion was not only meant to kill; it was designed to inflict great pain and humiliation on the victim.
- Jesus not only identifies with our pain. Ultimately, you have victory because of His resurrection. (1 Peter 1:18-21 NLT, Romans 8:34-39 NIV)

**Soul-tattoo:** 1. Ask Jesus to show Himself in your pain.

2. Be baptized!
