

HOW TO GET UNSTUCK

Contentment

Pastor Derwin L. Gray – May 14, 2017

- If you learn how to be content with God's provision, you can learn how to get unstuck.
- Don't let discontentment take you on an unnecessary detour. (Numbers 11:1-6 CSB)
- Never forget: comparison is an enemy of contentment. (Numbers 11:7-15 CSB)

What Is Contentment?

- Contentment is being satisfied in God's provision because you are satisfied in God Himself. (Psalm 63:3-5 CSB)
- Contentment is a spiritual discipline that requires intentional reliance on God the Holy Spirit.
- Believing "the best is yet to come" is a formula that creates a lack of gratitude and discontentment.

How Do We Become Content in God's Provision?

- Let God give you an attitude of gratitude! (John 6:35-36 CSB, John 6:41-43a CSB)
- Remember, blessings turn into a curse when we are not satisfied in God Himself. (Numbers 11:18-20 CSB)

Soul-tattoo: Together, we are going to repent of our discontentment with God and His provision.

Corporate Prayer: Philippians 4:11-13 CSB, Psalm 63:3-5 CSB
