

## I'll Be Happy If...

...I Find The Right Person

Dr. Derwin L. Gray – July 22, 2018

Instead of looking for the right person, let God make you into the right person.

Romanticism is an idol in our culture (1 Corinthians 7:7)

- **R**conciliation & Righteousness (2 Corinthians 5:19-21)
- Indwelling (Galatians 2:20)
- **G**arden (Galatians 5:22-23)
- **H**elp others become better disciples (Galatians 4:19)
- **T**rust the Lord (Proverbs 3:5-6)

**Soul-tattoo:** Let us help you become the right person.
