

I'll Be Happy If...

...I Find the Right Job

Joel Muddamalle – August 12, 2018

- Our job, or the pursuit of the perfect job is an idol in our culture.
- What we revere we will reflect, and that will either produce restoration or ruin.
- Living a “Christo-Centric” life will set our pursuits and affections in proper motion. (Colossians 3:22-25 ESV)

Soul-tattoo: Revere the Lord that we might experience His restoration and reflect Him in our vocation.
