

PSALM 23

THANKFUL 4 His Provision

Dr. Derwin L. Gray – November 11, 2018

Notes:

It's impossible to live at warp speed without warping our lives.

- **Why Are We Moving So Fast?**

We are often running from life's disappointments, the trauma of our past, the reality of our insecurities, and our moral brokenness. (Psalm 23:1-6 CSB)

- **God, our Good Shepherd, graciously provides us with: REST**

Regeneration – through faith in Jesus, we are raised from spiritual death to spiritual life. Jesus' resurrection life is our life. (Psalms 23:1-2, Numbers 10:33, Hebrews 13:20, Hebrews 4:16, Romans 8:11)

Energy from God the Holy Spirit (John 7:37-39)

Spirit's Fruit & Gifts (Colossians 3:12-16, 1 Peter 4:11)

Turn to the Word of God (1 Peter 2:2)
