Notes:

- 1 Samuel 25: 20-25 NIV
- 1 Samuel 25:34b-35
- Abigail intervened and showed us the power of intercessory prayer. (1 Timothy 2:1)

- Requests – I'm not sure what God wants.
- Prayers – I know what God wants.
- Intercession – I know what God wants and I'll intervene.
- Thanksgiving – I remember the faithfulness of God.

- Intercession is the act of bringing two sides together.
 - An intercessor is a mediator or an advocate.
 - Jesus is our mediator, our advocate, our intercessor. (Romans 8:34-39)

- Jesus intercedes for us so we can intercede for others.
 - He brought us and the Father together.
 - He took our hand and the Father's hand and brought them together.

- Intercession means we care enough to get involved.
- Intercession means we are willing to step into a divided space.
