Detours and Delays – Seeing God’s Divine Grace

July 7, 2019

Habakkuk 2:3 ESV

- There is an appointed time.
- History moves forward according to God’s timing.
- Don’t fear the detours and delays of life.
- “This is not simply a back then promise, it’s right now comfort - God with us”.

Soul-tattoo: Recall God’s goodness in the midst of your detours and thank God for His faithfulness.
