

# LEARNING TO WALK ON WATER

## LEARNING HOW TO HEAL YOUR HURTS

Pastor Derwin L. Gray – November 15, 2015

Facing your hurts can hurt. But if you don't, your wounds will become infected and you'll be toxic.  
(Mark 5:1-20)

Will you let Jesus meet you in your place of hurt? (Mark 5:1-3a)

Will you admit how your hurts have hurt others and yourself? (Mark 5:3b-5)

Will you call upon Jesus, the Son of God, to be your Lord and healer? (Mark 5:7-13)

Will you care more about people than profits? (Mark 5:14-17)

Will you fulfill your missionary vocation? (Mark 5:18-20)

**Soul-tattoo:** Give your hurts to Jesus (prayer) and tell someone what Jesus has done for you.
