

# FINDING HAPPINESS

## HAPPY ARE THE POOR IN SPIRIT

Pastor Derwin L. Gray – January 3, 2016

- Happiness is not:

Wealth

Circumstances

Finding the perfect spouse

Fame

Perfect body

Euphoric feelings

Your dream job

A normal family

- Happiness is found in being in a covenant relationship with God and embodying His kingdom.  
(Matthew 5:1-12)

- Happy are those who know they need Jesus.

- Happy are those who help those who are poor in spirit.

**Soul-tattoo:** 1) Stop looking for people, places, and possessions to make you happy. Look to Jesus.

2) Help those in need.
