MENTAL HEALTH AWARENESS

Pastor Derwin L. Gray and Dr. Daniel Amen – May 1, 2016

Dr. Daniel G. Amen is an influential expert and advocate on mental health. He is a psychiatrist, neuroscientist, and founder of Amen Clinics. He is lead researcher on the largest brain-imaging and rehabilitation study on professional football players and was a consultant on the movie Concussion. He has hosted 10 public television shows about the brain and is a 10-time NY Times bestselling author. It's our honor to welcome him as our guest speaker today!
