

## I'll Be Happy If...

...I Accomplish More

Dr. Derwin L. Gray – August 19, 2018

- Don't let our culture's idolatry of accomplishment and productivity enslave you.
- Don't sabotage your potential fruitfulness with hyper-activity
- It's not *I'll be happy if I accomplish more*, it's I'll be happy if I'm a flourishing, fruitful disciple.

### How Do You Become Fruitful? REMEMBER...

1. Jesus is your source of life and identity (John 15:1-5 CSB)
2. Pruning hurts, but it's necessary so that you can become more fruitful. (John 15:2)
3. God wants you to be fruitful for His glory (John 15:5-8)
4. You are already clean (John 15:3-4, 1 John 1:9)
