

## EASTER

### All Things New

Dr. Derwin L. Gray

#### Open in Prayer

If you attended one of the Good Friday services, share how it may have impacted you. How did it change your view of this and every Sunday?

#### Read Rev 21:5 ESV

- What is Jesus making new?
- What and when is our new future?
- How does this change the way we see ourselves (inward)?
- How does this change the way we see our neighbors (outward)?

#### Jesus gives us a new:

- Love

#### Read Psalm 63:3 CSB & Romans 5:8 CSB

- Why would we glorify God?
- While our love for God may wane, does His love for us change? How does this affect our understanding of the “inward” love?
- Love is something that we all yearn to have. There are thousands of songs about love. Yet how is God’s love different than our love towards ourselves and others?
- Did we have to clean ourselves up for God before He could first love us?
- So, why at times, do we feel as though God can’t or won’t love us?
- Do we trust our feelings or God’s word to love oneself correctly?

- Life

#### Read Galatians 2:20 CSB & 2 Corinthians 5:17 CSB

- What does it mean to be crucified with Christ?
- What is the reason He gave Himself to us?
- The “old creation” was born in sin. Now that we are a new creation, how are we different?
- How do we become a new creation?

#### Read 1 Corinthians 12:27 CSB

- How does being connected to a risen Savior give us life?

#### Read John 3:2-7 CSB

- What does being “born again” imply?

- Power

Read John 3:37-39 CSB & Romans 8:11 CSB

- Where did Jesus receive His power to perform miracles?
- Where do we receive our power to live an “upward-inward-outward” life?
- What had to happen for us to receive this power?
- Does it embolden you knowing the same power that was in Jesus is in you?
- So what are your next steps?
