A scarcity mentality is the belief that you will never have enough money. As a result, you turn money into a god and live from a place of greed.

#### How Do We Break Through the Wall Called “Scarcity Mentality”?

Remember God’s Generosity and:

Passion for you (2 Corinthians 8:7-9 CSB)

Promise to you (Matthew 6:25-34, 2 Corinthians 9:6-8)

Purpose through your life (Matthew 28:18-20, 1 Corinthians 16:1-3)

**Soul-tattoo:** Pray this affirmation daily:

**Lord Jesus,**

**When my thoughts begin to drift from Your truth,**

**graciously lead me back to You.**

**You are a good, caring Shepherd.**

**Father,**

**when my heart drifts toward believing that I will not have enough,**

**gently remind me that You are a gracious provider who will supply my every need.**

**Holy Spirit,**

**when I drift into a scarcity mentality,**

**lovingly bless me to give generously to the mission of God because the generosity of God is in my DNA.**

**In Jesus’ Name, I will not be afraid. Amen.**

**Action Step:** Start giving your first to God and His mission.
