Refuse: to indicate or show that one is not willing to do something.

## What are we refusing?

- We are refusing to let anything or anyone other than \_\_\_\_\_ determine our life.

## How do we refuse to let family dysfunction control us?

1. Understand the \_\_\_\_\_ of your family dysfunction. (Sin) (Romans 5:12 CSB; Romans 3:10-12)
2. \_\_\_\_\_ the wounds. You can't heal what is not \_\_\_\_\_. (Genesis 37:1-4)
3. Be \_\_\_\_\_ and \_\_\_\_\_ to your family. However you need to set \_\_\_\_\_ to avoid emotional \_\_\_\_\_. (Ephesians 4:1-3)
