Love Shares

Dr. Chris McCarthy

11.8.2020

_____ - a disruption that occurs in a person's life to such an extent that you must change the way you're living.

Modern technologies were designed for the promotion of self.

Modern life has been built upon the ideals of _____, _____, _____, and _____.

2020 ushered in several _____/_____ lifequakes.

A collective/involuntary crisis requires a collective/voluntary response.

The Family of God responds by turning:

- _____ to find our security in God (Matthew 6:33)
- _____ to find God's peace and hope (Philippians 4:6-7; Romans 5:3-5)
- _____ to offer and receive love and support (Philippians 2:3-4; John 13:34-35)
