2021

WAS A YEAR OF GROWTH THANKS TO GOD'S FAITHFULNESS

In 2021, Transformation Church experienced the faithfulness of God in the midst of struggle. We continued to navigate the impact of the pandemic and care for the personal challenges of our community. Through adversity, Transformation Church grew closer to Jesus.

We welcomed Transformers back into our building, embraced new families, created innovative ways to connect with each other, and made an incredible impact in our community.

As you read through our 2021 End of Year Review, remember that these are not just numbers, these are lives that have been impacted by Jesus through His bride, Transformation Church (that's you!).

Let's celebrate what God did through TC in 2021!

MESSAGE FROM OUR PASTOR

Beloved TC Family,

Often it's hard to see how far you've gone when you are traveling through adversity. But every once in a while, you get a chance to stop and take inventory of all that Jesus has done in us, for us, and through us. This is one of those moments, where we pause and marvel at Jesus, and how His great grace has been in our midst. As you read our 2021 End of Year Review, be reminded of Jesus' greatness.

When Vicki and I think of you, we think of Colossians 1:3-6 CSB.

We always thank God, the Father of our Lord Jesus Christ, when we pray for you, for we have heard of your faith in Christ Jesus and of the love you have for all the saints because of the hope reserved for you in heaven. You have already heard about this hope in the word of truth, the gospel that has come to you. It is bearing fruit and growing all over the world, just as it has among you since the day you heard it and came to truly appreciate God's grace.

Vicki and I love you. We are honored to serve and partner with you in the gospel.

Pastor Derwin

WHO WE ARE

At Transformation Church, we are a multiethnic, multigenerational, mission-shaped community that loves God completely (Upward), ourselves correctly (Inward), and our neighbors compassionately (Outward).

The vision of Transformation Church is birthed out of the very heart of Jesus, from The Great Commission (Matthew 28:18-20) and The Great Commandment (Matthew 22:37-40).

Loving God completely, ourselves correctly, and our neighbors compassionately isn't just something we say at TC, it's who we are. We had much to celebrate in 2021 thanks to Transformers like you, who live Upward, Inward, Outward lives.

01 — It all starts Upward

Let's celebrate how we loved God completely through commitments, engagement, giving, and serving

02 — Looking Inward

Let's look back on how God used TC Care and small groups to help Transformers love themselves correctly

03 — Loving Outward

Let's rejoice in the ways we loved our neighbors compassionately through Outreach, the TC Kids Family Christmas Party, and The Multiethnic Church Roundtable

HOW WE SAW GOD'S LOVE ON DISPLAY

Worshiping together corporately, through small groups, and serving

One of our values at TC is a **high and lofty view of God**. Everything we do flows out of this. This year, we were able to come together to worship in person after a year and a half of online services.

These numbers represent individual lives being transformed through the enabling power of the Holy Spirit. In response to God's love for us and our love for God, we worship together corporately on Sundays, through small group environments, and serving our TC Family and community.

- 3907** Online participants who actively engaged with our weekend services and church-wide initiatives
- 2905** Total individuals who visited TC for the first time
- 1076** Kids and Teens who participated in Next Gen small groups
- 879** Servant leaders who gave their time and talents to serve TC and our local community
- 458** People who connected regularly through in-person and online TC Groups

LOVING OURSELVES THROUGH GROUPS

Living out multiethnic, multigenerational biblical community

GOD, DO YOU HEAR ME? MID-SIZE GROUPS

In the Fall, we learned how to become more like Jesus through our prayer life, using Pastor Derwin's book, **God, Do You Hear Me?** During this time, hundreds gathered in person and online to discuss the book, sermons, and life application. This was our first time hosting a mid-size group at TC. We were encouraged by the participation and excitement of the TC family!

NEXT GEN:

TC KIDS SUPERHERO SUNDAY

Superhero Sunday was one of our favorite mornings in TC Kids! Kids and Servant Leaders showed up in their best costumes and learned that "Jesus is The Ultimate Superhero." Our Next Gen Team knows that loving ourselves correctly is not just for adults! Each week, TC Kids learn how to live Upward, Inward, Outward lives in a way that is unique to each stage of their development. Through small groups, large group lessons, and age-specific content, even the tiniest Transformers can begin to grasp the love that Jesus has for them!

NEXT GEN:

TC TEENS NIGHT OF WORSHIP

In 2021, our TC Teens (7th-12th grades) gathered together for a Night of Worship! This was a time where Squads (Small Groups) came together to worship through music and grow closer to Jesus. TC Teens is small group focused - being in a small group provides the opportunity for students to have biblical community and connect with leaders so they can grow in their relationship with Jesus!

OUTREACH & GENEROSITY

Roll Out Hope

For 12 years, Transformation Church has had the privilege of serving our community during the Christmas season to be an extension of Jesus' love and grace through Roll Out Hope.

In 2021, we were excited to come together again as a family for a large serve opportunity called The Big Sort. Hundreds of Transformers (of all ages) came to prepare boxes of Christmas gifts for families in our community. Through your generosity and support we provided gifts for **506 children!**

Hope Dealers Market

One way that we love our neighbors compassionately is by equipping families in our community with nutritional food and fresh produce, so they can provide full, healthy meals to their families. In 2021, we served over **500 people** and provided **70,349 meals**, including a total of **84,324 lbs.** of proteins, grains, fruits, and vegetables.

Classroom Project

In the summer, we partnered with our local schools to equip teachers and staff for the upcoming school year. Our Transformers gave their time to pack and deliver **1,000 bins of supplies**, equaling a **total impact of \$86,217.**

Correctional Facilities

In 2021, we streamed services weekly to Correctional Facilities nationwide! The men and women in these facilities are experiencing life transformation and growth in relationship with Jesus through TC. We have developed community partnerships with Changed Choices and Ground 40. These organizations house and support the men and women transitioning out of correctional facilities and help them find employment during the process. Through our partnerships, we are able to engage in relational connections with the residents.

SPECIAL EVENTS

TC Kids Family Christmas Party

During the Christmas season, we hosted a giant family Christmas party where we invited the community to connect with the TC Family. We celebrated with train rides, an outdoor movie, inflatables, crafts, and s'mores. We were overwhelmed with the attendance, having over 400 who came for the merriment!

The Multiethnic Roundtable

During the Multiethnic Church Roundtable, ministry leaders and church planters learned the theology and best practices of the multiethnic church. Through teachings, breakout sessions, and small group discussions we were able to equip and encourage ministry leaders from around the country and the world.

WHAT'S AHEAD...

Together in 2022, we'll have more opportunities to be the heart, hands, and feet of Jesus. Through the life-transforming gospel of Jesus Christ, we will be an example to the world of what it means to be a multiethnic, multigenerational family that loves God completely, ourselves correctly, and others compassionately!
