

## TC Groups Curriculum Resource Guide

The purpose of this guide is to help you choose a good biblically-based study for your TC Group.

Most groups will complete five or six studies during their time together. What you study will help shape who you become, and we want you to grow as a Transformer in each of these 5 Characteristics:

### **Worship**

All of life is worship – from the beginning to the end of our days. We want to practice attentive wonder and gratitude that God’s presence and power are with us in everything that we do. All that we do, we do to honor Him.

### **Connect**

God has always used people to draw people to Himself, and God has made us to be connected to one another in the church. In Christ, we are for one another and seek one another’s best.

### **Serve**

We recognize that God has invited us to use our gifts for His mission and our good in this community. We empower servant leaders to be the hands and feet of Jesus in order to meet a real need and to grow in Christlikeness. We are committed to the wellbeing of TC servant leaders and to the mission to which God has called us.

### **Give**

We give of our time, talent, and treasure because we know God’s generosity in giving us His Son, Jesus. As this truth transforms our hearts, we desire to give generously so that others can experience the life change that we have experienced.

### **Invite**

Through the power of Christ in us, we live an inviting life. We realize that every human being matters to God, and we look for ways to invite people in our sphere of influence into relationship with Him.

***INSTRUCTIONS:*** Choose a characteristic your group wants to grow in and then choose the study that best fits your group.

Your group may also choose the sermon-based Conversation Guide, which is available on the individual sermon pages on our website, or choose to do your own inductive Bible study.

**Worship:**
