

### **RECAP:**

This week, we are taking a pause to celebrate TC's 13<sup>th</sup> anniversary! As we look back at the last 13 years, we also want to take time to look ahead to where God is taking us. We want to be "all in" when it comes to God's plan for Transformation Church.

"All in" people are compelled by Jesus to be missionaries, seekers of the hurting, faith-filled, and aware of spiritual warfare. We want to continue our mission to partner with Jesus to "seek and save the lost." (Luke 19:10) We do this by sharing God's love with all people because we are a multiethnic, multigenerational, mission-shaped community. We know that the upward love we receive from God helps us to develop an inward love for ourselves, which overflows into outward love for others.

Spend a few minutes with your group reflecting on your time at TC so far. What has been impactful for you? What are you excited about for the future? Who can you invite to participate in the life of TC with you? And don't forget to celebrate! Happy anniversary, Transformers!

### **DISCUSSION QUESTIONS:**

- Read 2 Corinthians 5:14-15. What is our main motivation in sharing the gospel message with others? What has been your experience in sharing the gospel?
- Pastor Derwin shared about the ways TC has partnered with our community to help others. From Hope Dealers Market to A21 to World Relief. What have these partnerships meant for you? What is the reason we choose to help the hurting in our world?
- Read Mark 2:1-5. The paralyzed man was brought to Jesus by his friends. Who introduced you to Jesus? Who can you introduce to Jesus?
- Have you ever felt discouraged when it came to sharing your faith with others? What has helped you move past that? If you are still in that place, share with the group. It's good to be honest about our struggles and your group is a safe place to ask questions and seek encouragement.
