TRANSFORMATION CHURCH

OUR VISION

The vision of Transformation Church is to be a multiethnic, multigenerational, mission-shaped community that loves God completely (Upward), ourselves correctly (Inward), and our neighbors compassionately (Outward).

This vision is birthed out of the very heart of Jesus.

Letter from Pastor Derwin

Transformation Church Family,

What an unforgettable year 2024 has been! Together, we've witnessed history in the making. Hundreds of people said "yes" to Jesus and boldly went public with their faith through baptism! One moment we'll never forget: 209 lives forever changed at our Lake Wylie Baptism Celebration in September.

Speaking of Lake Wylie, we launched Transformation Church Lake Wylie! Now, we are one church in two locations—an incredible step forward as we reach even more people with the Good News of Jesus. And this is just the beginning—there are more locations to come because there are more people to love, serve, and introduce to Jesus. Your unwavering devotion to Christ and TC's vision fills my heart with gratitude for each of you. Your sacrificial love, financial generosity, and humility to serve embody what it means to be a church that truly transforms lives. It's one of the greatest joys of my life to serve alongside you.

As you read through the 2024 Year in Review, let your heart be filled with prayer, gratitude, and hope. Let's anticipate with faith that 2025 will be a year where God exceeds our wildest dreams and does more than we could ever ask or imagine!

2024 was a year to remember. 2025 will be lit up with love!

In His love and on His mission,

Pastor Derwin

01 Gathering

At TC, we believe that the church is not a building, it's the people of God who have been saved through faith in Jesus Christ and are committed to following Him. It's important, however, that we gather regularly, as it says in Hebrews 10:24-25, "And let us consider one another in order to provoke love and good works, not neglecting to gather together..."

Service Gathering

TC 24

When we come together we're able to participate in corporate worship. As we celebrate these numbers, we remember that each number represents a life being transformed by the enabling power of the Holy Spirit.

Music

TC 24

One of the ways we worship at our gatherings is through music. This year we've seen our music team expand by welcoming 25 new choir members. Also, in February we began an exciting new rhythm of songwriting. In 2024 we were able to complete ten new songs that glorify King Jesus! In addition to that, we launched a TC Music YouTube channel so we can worship through music all week long.

02 Spiritual Decisions

Spiritual decisions at TC indicate when someone is ready to say yes to Jesus. We're committed to walking with people as they begin their faith journey and throughout their lives because we're a family created for community.

Spiritual Decisions

TC 24

In 2024 we welcomed 409 people who said yes to Jesus and made a decision to follow Him. Of those 409 decisions, 67 came from kids and teens, truly showing that the next generation is the church of today! God is transforming hearts and lives at TC!

2024 Year In Review

It has been such a blessing to find a community to build a solid foundation and continue my spiritual growth and maturity. Thank you Transformation Church!

03 Baptisms

When we make the decision to follow Jesus, our next step is baptism. This is a public declaration of the inner transformation which has already taken place. We baptize by being immersed in water as a symbol of the death, burial, and resurrection of Jesus.

2024 Year In Review

I have been wanting to be baptized since I was 17 years old. I am now 47! I accepted the Lord when I was 17 but was always afraid of being under water. I want to renew my life in the Lord and continue to live for Him.

04 Connect

We are all part of the body of Christ. As image-bearers of a Triune God, we were created for community. It's important to connect with God and other Christ-followers so we can encourage one another and grow together.

Next Steps

TC 24

Our Next Steps Team guides people in their unique journey with Jesus one step at a time. From baptisms to Membership Class to theological education, we walk with Transformers as they take their next step in their faith journey. This year, we welcomed 257 new members to our TC family! We also saw 278 Transformers step up by saying yes to using their gifts to serve and going through our Transform U: Serve class. In addition to that, 378 people participated in our mid-size groups throughout the year. We are thankful for the incredible ways God is moving in and through our church.

Connecting in TC Groups is one of the ways we can grow as Transformers beyond Sunday mornings. In our multiethnic and multigenerational groups we study and pray, share and encourage, and love others. This year we have seen incredible growth as people have taken the step to grow in their discipleship through TC Groups.

Teens Camp

TC 24

We were excited to take 144 Teens to Summer Camp in Anderson, SC. This was a time where our teens and leaders could grow together in a fun and engaging environment. Forty students made a first-time decision to follow Jesus, and many others committed to take ownership of their faith and growth as a Christ-follower. Our students connected with one another and formed lasting friendships. In addition, we launched Invite Nights and Connect Nights, which have given students an opportunity to grow in the Five Characteristics of a Transformer. We've seen significant growth in our students and we're excited about continuing to help them live on mission.

This year the women of TC traveled to our first off-site retreat. In April, 224 women gathered at Lake Junaluska in North Carolina for a weekend of refreshment. Vicki Gray taught sessions on how we are redeemed, called, equipped, and sent! We also had breakout sessions and connection activities all in view of the beautiful lake.

I've been attending TC since the "warehouse" days. My boys have grown tremendously in their faith and recently chose to be baptized. We decided to take this membership step together because we are ready to belong to something bigger than just attending Sunday services!

05 Serve

Serving is one of the ways we respond to all that God has done for us. We all have gifts that God wants to unleash in ministry at TC and on mission in our communities. We are all part of the body of Christ and have a place to serve as the hands and feet of Jesus. Thank you for serving!

07 Give

We generously give our first and best to God because He first gave us His Son, Jesus. Giving is an act of worship, acknowledging that God owns everything, and we are simply faithful stewards of His resources. When we give, we are offering our gifts back to God through Transformation Church.

THANK YOU for everything you do for A21, the Charlotte community, and beyond! God is on the move in and through your church, which has been empowering to witness and be even a small part of. I pray you all keep running forward in strength, taking ground in all the areas God will continue calling you to step into - personally and as a church body. It's been an honor partnering in the Lord's work with you and getting to know you!

TC Lake Wylie

In 2023, Pastor Derwin challenged us to pray for God to show us our next location as we move towards four new locations by 2033. And in His faithfulness, God led us to a facility in the Lake Wylie area that another church community had established and no longer had a need for the space.

Over the next several months, we watched as the construction team transformed the space to reflect Transformation Church in every way. Through prayer, our Staff and Servant Leaders began the process of discovering new Servant Leaders, developing them in their skills and spiritual formation, and deploying them to be the heart, hands, and feet of Jesus to their community in Lake Wylie.

We're so thankful for Pastor Curtis, our TC Lake Wylie location pastor, the Staff and Servant Leaders, and the Transformers who chose to make TC Lake Wylie their home. Because of their faithfulness, we continue to see new folks and families become a part of what God's doing at TC Lake Wylie.

Transformers are living an inviting life and God is forming a community in Lake Wylie. We're incredibly excited for what's to come.

Launch Day

Lake Wylie

On Sunday morning, December 1st, we had our launch day at TC Lake Wylie. Since then, we've seen neighbors connect with neighbors and students and teachers recognize each other in the lobby. We've seen those brand new to the area show up after being invited by a coworker, and those who have lived in the area for some time, find the place they've been praying for, to gather and worship.

06 Invite

Through the power of the Holy Spirit in us, we live inviting lives and join Jesus on His mission "to seek and to save the lost". (Luke 19:10)

Therefore, brothers and sisters, in view of the mercies of God, I urge you to present your bodies as a living sacrifice, holy and pleasing to God; this is your true worship. Do not be conformed to this age, but be transformed by the renewing of your mind, so that you may discern what is the good, pleasing, and perfect will of God.

Prayer:

Father, thank you for what you're doing through Your multiethnic, multigenerational family called Transformation Church.

Jesus, thank You that we get to join You on mission to seek and save the lost as we're lit up with love in our homes, our schools, our workplaces, and our communities.

Holy Spirit, thank You for empowering us to be carriers of Your upward, inward, outward love.

May you do "above and beyond all that we ask or think according to power that works in us" in 2025. We give You glory in Jesus' name. Amen.
